"SURVIVAL ENVIRONMENT" WORKSHOP ON FIRE CURTAIN AND GLASS FAÇADE REGULATION & IMPLEMENTATION

Mumbai Fire Brigade, Municipal Corporation of Greater Mumbai (MCGM) organized "Survival Environment" Workshop on Fire Curtain and Glass Facade Regulation & Implementation in collaboration with Institute of Fire Engineers India on Nov 29, 2014 at Mumbai with the active support of Architectural Glass Panel/AIGMF (ASAHI INDIA, Gold Plus Group, HNG Float Glass, Gujarat Guardian), CCPS and Saint Gobain India. The Workshop was organized at Four Seasons Hotel at Worli, Mumbai and attended by more than 100 delegates comprising of officers from State Govt., Fire Safety Engineers, Builders, Developers, Architects, Professionals, Glass Industry, Mumbai Fire Brigade, Delhi Fire Service, Municipal Corporation of Greater Mumbai (MCGM), The Maharashtra Chamber of

Housing Industry (MCHI), The Confederation of Construction Products and Services (CCPS), Practicing Engineers Architects and Town Planners Association (PEATA) etc.

Ar. Deepak Gahlowt presented paper on Glass Façade with reference to human & fire safety and was one of the panelists. Mr. S. Senthil Kumar, Head (P), Asahi India was one of the Panelists in Session 2 and Mr. Hatinder Vohra, SGIL presented paper on 'Innovative use of fire safety glass solutions for buildings'. Representatives from Saint Gobain India and HNG attended the Workshop.

Mr. Shashi Kant, Adviser CCPS and former Dy. Adviser, Planning Commission participated in the deliberations and also had discussions with Mr. S. Deshmukh, IAS, Addl. Municipal Commissioner, MCGM, and Mr. S. H. Nesarikar, Chief Fire Officer and suggested to modify the Standing Order of Mumbai Fire Brigade and include recommendations of CCPS Guidelines on Use of Glass in Buildings – Human Safety which has been

implemented by 19 States, Central & State Govt. Departments, PSUs etc. and IS: 16231 (Pt. 4) and IS: 16231 (Part 4) 2014 'Code of Practice on Use of Glass in Buildings – Safety Related to Human Impact' which is also derived from CCPS Guidelines.
